

## Position Summary

WFFF/WVNY-TV in Colchester, VT is seeking an experienced **Meteorologist** with a compelling on-air presence, possessing excellent story telling capabilities and a passion to be the best. This is a great opportunity to become part of our news team. The Meteorologist will exude personality, intelligence, and credibility both on and off the camera in this high-profile position and play a role in developing our weather team presence in the marketplace. Meteorological certification is a must.

In addition, your duties will include representing the station at various community events and conducting visits to various schools throughout the region.

## Essential Duties and Responsibilities

Works closely with the Chief Meteorologist to develop comprehensive weather coverage

- Produces and presents weather reports for all platforms.
- Ensures that all weather content meets company standards for journalistic integrity and production quality.
- Writes and delivers weather stories in a clear and concise manner.
- Assists in writing, copy editing, researching and coordinating weather programming and other content.
- Responds to breaking and/or severe weather events and other urgent newsrooms situations as required.
- Participates in promotional activities including public appearances.
- Performs special projects and other duties as assigned.
- Writes web stories detailing the local forecast on a daily basis.
- Interacts with viewers and users on social media sites.

### Requirements & Skills:

- Bachelor's degree in Meteorology, or a related field, or an equivalent combination of education and work-related experience.
- Fluency in English.
- Excellent communication skills, both oral and written with the ability to *ad lib* when required.
- 2 years' experience in weather reporting or anchoring preferred.
- Superior on-air presence.
- Proficiency with Barron's Radar a plus.
- Ability to meet deadlines, prioritize assignments and handle multiple tasks simultaneously.
- Strong understanding of the field of Meteorology and a proven track record of forecasting.

- Valid driver's license with a good driving record.
- Flexibility to work any shift.

#### Physical Demands & Work Environment:

The Meteorologist must be able to sit, conduct telephone conversations, use electronic mail, write letters and memos, conduct face-to-face discussions with individuals or groups, make decisions without supervision, make decisions that impact the results of co-workers, work in close proximity to others, work outdoors occasionally in all weather conditions, and work indoors in environmentally controlled conditions. In addition, the Meteorologist must be able to lift, set up and operate equipment weighing up to 25 pounds, and be able to handle, control or feel objects, tools or controls. Repetitive movements are required. Work may be conducted in extremely bright or inadequate lighting conditions.
